Nº 84 of July 13 and Nº 87 of July 14 annulled west of London, with alternate transportation provided, due to the track being unpassable as a result of electrical wires on the track.

Nº 88 of July 13, 2019 departed London late due to being held for its connection with late-running Nº 78. Subsequent delays were caused by CN and GO operational issues, such as slow orders, crossovers, freight meets and a signal issue on the Guelph Subdivision.
